A WONDERFUL

.....SEASON FOR

Again we've reached the season
When men who change their views,
On slightest provocation,
Will for a time amuse.
For now we see the flopper
Resume his well-known tricks,
And hear him make announcement
Of change in politics.

Part of the Same Ballot Accepted and Part Rejected.

Of change in politics. At times some "famous leader,"

At times some "famous leader,
Of whom we've never heard,
Discovers that his party
Has on some question erred.
And loudly he's declaring
His reasons why he flops;
He far and wide is quoted,
Then out of sight he drops.

At times some chronic "sorehead," Who's on the shelf been laid, Proclaims in tones of anger

That he has been betrayed. He cares not for the issues, 'Tis office he desires, And so he joins the floppers, Then from the scene retires.

Then some have formed the habit Of flopping every time
They think that by such action
To prominence they'll climb.
And then there some others

Who with the band would ride, For it is their ambition To join the winning side.

'Tis not the noisy flopper Who figures in the fray, May flop the other way.
But it's the honest thinker
Who helps to win the fight,

us have it.

For he'll not stick to party Unless that party's right.

Prices on Lawns range from 4c to 50c a yard, advancing by easy stages. Our stock is still large and select.
